Are You Outfitted in Clothes?

YOU may not really know just what you need for winter; lots of men wait for cold weather to discover that last year's overcoat, or suit, won't do.

Or that the pile of socks has suddenly shrunk by a heavy discard; or that the warm underwear you were counting on is pretty well shot to pieces.

Good idea to look these things up now, before you need them. It's better to buy now than later; merchandise is scarce.

Most of our goods are higher priced at wholesale than we paid for them; some goods would cost as much to replace them as we are asking for them. Better get yours now. Hart Schaffner & Marx fine suits and overcoats.

PLAINVIEW HIGH IS CHAMPION OF PLAINS

Plainview high school foot ball team claims to be champion of the Plains, and has shown it deserves the honor.

In a hard-fought game at Lamar grounds Friday afternoon it defeated Wayland college by a score of 7 to nothing, and made that score in one dash for the goal and a perfect kick.

The high school has defeated Amarillo, Canyon Normal and other Plains teams, making a total score of 108, without a single score to any opponent.—Plainview News.

LOCALS FROM THE POST CITY POST

J. W. Lovelady, our popular cattle broker, reports the following cattle sales: Aims Brothers 100 fat cattle, to J. F. Lee, of Seymour; J. B. Slaughter 502 head calves to Dickerson and Arnett, of Lamesa. Mrs. J. W. James, 100 head cows and calves to J. F. Lee.

Joe B. Hutto, one of our hustling farmers marketed 2 bales of cotton last week that netted him something over \$500.00. And several more farmers have done equally as good if not better than Mr. Hutto. Verily this is a great year for our producers and this is the greatest country yet for them to do well and prosper.

This week Mr. Cavett, one of our Plains farmers closed a deal in which he takes charge next year, of the J. D. Donaldson farm in Lynn County. We hate to lose such farmers as Mr. Cavett from our own county, but are thankful that he will still be our neighbor over in Lynn county.

Sunday morning Miss Edna Hume, the beautiful and accomplished daughter of Mr. and Mrs. J. D. Hume of Post, was married to Mr. Seale, of Moran, Texas. This noble couple

have our best wishes for a long and happy life. They will live in Moran.

REPORT OF MARKETING AT KANSAS CITY MONDAY

Liberal receipts of cattle, made up mostly of Kansas, Oklahoma, grass fat steers and Southwest rangers sold at steady to 25 cents lower prices. Best killers and stockers and feeders were steady. Though hogs receipts were liberal the local market remained steady at a good margin over other points. There was active demand for sheep and lambs at steady prices.

Today's Receipts.
Receipts today were 35,000 cattle, 14,000 hogs, 9000 sheep, compared with 27,000 cattle, 8000 hogs, and 7000 sheep a week ago, and 35,600 cattle, 14,100 hogs and 8300 sheep a year ago. Cattle receipts from New Mexico were the largest of the season. A few loads arrived from Utah and the Northwest.

Beef Cattle.
Compared with total receipts of cattle, good killing grades both fed and grass fed were scarce, and sold at steady prices. The common to plain kinds were plentiful and sold at weak to 25 cents lower prices. The best offerings brought \$17.25. Several bunches of short fed steers sold at \$15.00 to \$17.00. Prime steers were lacking. Grass fat steers sold at \$8.50 to \$13.50, few below \$9.50. Butcher grades were about steady. "Canner" cows sold at \$5 to \$5.75 and killing grades \$6.50 to \$11.25. Veal calves were 25 to 50 cents lower at \$8.50 to \$16.00. Bulls brought \$5 to \$8.50.

Stockers and Feeders.
Demand for stockers and feeders was not as urgent as on preceding Mondays. The best grades met a ready outlet but large supplies of common to fair kinds were lower and sold slowly. Feeders sold at \$8.50 to \$12.25. Those below \$9.50 were plain to common quality. Stockers

brought \$7.75 to \$11.25, stock calves \$8 to \$12, and stock cows and heifers \$6 to \$8.50.

Hogs.

The hog market was steady at last week's advance until near the close when some sales were 15 cents lower. The top price was \$15.50, and the bulk of the offerings sold at \$14.90 to \$15.50, or 50 cents higher than a week ago. Though receipts showed a moderate increase compared with preceding Monday's the movement is far short of normal for this season of the year, and packers are paying \$2 more than they had counted on a month ago. Feeders are eager for all the pigs and thin hogs offered and good feeding grades are selling as high as fat hogs.

Sheep and Lambs.

Steady prices prevailed in the sheep market. Receipts were about normal for this season of the year. Few range lambs were offered. Some short fed native lambs brought \$14. Fat lambs are quoted at \$14 to good.

\$14.75, ewes \$7 to \$8, and yearlings \$10 to \$10.75. Western feeding lambs are selling at \$11.50 to \$13.25. Charles M. Pipkin, Market Correspondent.
